DKL Mechanical Ltd is committed to:

Sustain profitable growth, by providing services which consistently satisfy the needs and expectations of its customers.

This level of quality is achieved through adoption of a system of procedures that reflect the competence of the Company to existing customers and potential customers.

Achievement of this policy involves all staff who are individually responsible for the quality of their work, resulting in a continually improving working environment for all. This policy is provided and explained to each employee by the Directors of the Company.

To achieve and maintain the required level of assurance the Managing Director retains responsibility for the Quality System.

Promote the culture of continual quality improvements and the philosophy of getting things “right first time”.

Rigorously control all projects for timely completion to our customers.

Promoting the quality management systems and ensuring implementation is achieved by internal auditing, management review, corrective and preventive action.

Everyone is responsible for the quality within the company and for maintaining high standards.
